

## Local Shipper List

### Packing and Shipping

While U.S. Poly International Auction Gallery only provide packing and shipping services for small non-breakable items in house via USPS, we do have a list of recommended local third party shippers to assist you in shipping to and from. Please note that packing, shipping and insurance fees are an additional and separate charge. International shipping is available to all countries. Please note that packing, duties, and other documentation fees will be an additional charge. Please contact one of the following companies, or make arrangements with a company you already work with.

We require a written authorization from the client to release property to any third party including but not limited to our recommended shippers. You may fax the Shipping Release Form to 916.514.8926 or email your authorization to [info@uspolyauction.com](mailto:info@uspolyauction.com).

Please note that all property must be removed from our premises within seven (7) business days following the sale.
